

AMENDMENT

In the Specification

Please substitute the written sequence listing (paper copy) submitted herewith for the initially-filed sequence listing in the above cited application.

REMARKS

This amendment adds no new matter into the application. The sequence listing submitted herewith substitutes for the initially-filed sequence listing to comply with a notice of defective response mailed 29 Jul 02. The substitute sequence listing adds the <220> Feature as required by Sec. 1.823 of the Sequence Rules. Except for the added <220> Feature, the sequence listing submitted herewith is identical to the initially-filed sequence listing.

Respectfully submitted,

MADHUKAR MATTHEW THAKUR
